Ashes Corporate Hospitality Packages - Cricket Club Lounge

Join us at the Cricket Club Dining this summer for a memorable experience in style.

The Cricket Club is a sophisticated, yet relaxed environment intended to be shared with colleagues or business associates, family and friends.

You and your guests will be treated to a grazing menu with a range of canapés and dishes accompanied by a feature food station within the lounge, with canapes on arrival.

Our dedicated wait staff will be on hand to serve you beverages throughout the day.

This package is a great way to enjoy the Cricket in an informal setting.

Be entertained by some of the game's great captains during the break, enjoy full bar service for the duration

of the day and take your place in one of the reserved seats directly in front of the room.
